# 1. CARGO TRANSPORT

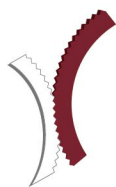

## Cargo Transport

Transworld Metal Works L.L.C., manufactures of all kinds of cargo bodies like Drop Side Cargo Bodies, Flat Bed Cargo Bodies, Reefer Cargo Bodies, Heavy Duty Box Type Cargo Bodies, Special Material Carrying Cargo Bodies, Cargo Bodies with Tail Lift, Crane, Man Lift, Hook Loaders, Side loaders, Winches etc...

## We associate with:

- |                                |                         |          |
|--------------------------------|-------------------------|----------|
| 1. DOLANDIA                    | 2. CARRIER / MITSUBISHI | 3. HELLA |
| 4. COPMA - Block / Hook Cranes | 5. MAXILIFT             |          |

## 2. FUEL TRANSPORT

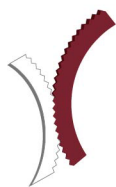

### Fuel Transport

Transworld Metal Works L.L.C., manufactures all kinds of fuel tankers of various capacities with facilities like vapor Recovery System, Over Fill Protection Systems, Bottom Loading Facility, Refueling and Defueling Capabilities, Digital Counting Digital Level Gauges, Pneumatic Control Panels, etc....

***Our Fuel Tankers are of Middle East Design and Adhere to:***

**NFPA 30, NFPA 30A, NFPA 385, ADR, ECER.E.3, EN 13094,  
ATEX 95, API 1004, ASME**

### 3. WATER TANKERS

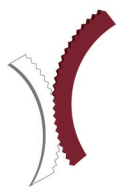

WATER  
TANKERS

#### **Water Tankers**

Transworld Metal Works L.L.C., manufactures all kinds of water tankers with various capacities to carry and transport any type of water. We are manufacturing Mild Steel, Aluminium and Stainless Steel single skin or double skin tankers. The added features of our tankers are special internal and external coating to withstand corrosion for extra long period, High Pressure Pumps, Sprayer Units, Jetting Units, PTO Driven Cast Iron Pumps, Double Skin Insulation, etc...

#### **We Associate with**

1. ROBIN    2. HONDA    3. JOST    4. WABCO    5. YORK    6. BPW

## 4. FLEET TRANSPORT

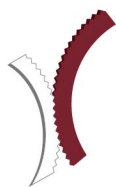

### ***Fleet Transport***

Transworld Metal Works L.L.C., manufactures all kinds of flat bed and low bed trailers to carry containers or loose cargo. The capacity varies from 20T to 100T. The specially designed and reinforced structure makes our low flat bed perfect to carry its designed load.

#### **We Associate with**

- |         |            |          |                         |
|---------|------------|----------|-------------------------|
| 1. YTE  | 2. BPW     | 3. WABCO | 4. JOST                 |
| 5. HYVA | 6. AFHYMAT | 7. HELLA | 8. BRIDGESTONE/MICHELIN |

## 5. DUMP TRUCKS AND TRAILERS

DUMP TRUCKS  
AND TRAILERS

### *Dump Trucks and Trailers*

Transworld Metal Works L.L.C., manufactures all kinds of dump trucks and trailers of various capacities from 1.5 CBM to 45 CBM.

#### *We Associate with*

- |                 |            |                         |
|-----------------|------------|-------------------------|
| 1. BPW          | 2. JOST/GF | 3. WABCO                |
| 4. HYVA/AFHYMAT | 5. HELLA   | 6. BRIDGESTONE/MICHELIN |

## 6. VACUUM TANKERS

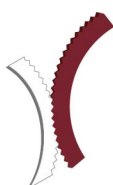

VACUUM  
TANKERS

### Vacuum Tankers

Transworld Metal Works L.L.C., manufactures all kinds of Vacuum Tankers and Trailers. We are specialized on tilting tank, gully emptiers, high speed sucking units etc. All our suction tanks, are specially designed for fast suction and maintenance free operations. We also manufacture solid suction tankers.

### We Associate with

- |          |                    |            |                         |
|----------|--------------------|------------|-------------------------|
| 1. JUROP | 2. BATTIONI PAGANU | 3. AFHYMAT | 4. WABCO                |
| 5. BPW   | 6. JOST            | 7. HELLA   | 8. BRIDGESTONE/MICHELIN |

# 7. SPECIAL VEHICLES

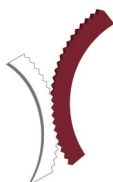

SPECIAL  
VEHICLES

## Special Vehicles

Transworld Metal Works L.L.C., manufactures different types of special vehicles. All are custom made,

*Some of our special vehicles are:*

- |                                |                        |                     |
|--------------------------------|------------------------|---------------------|
| 1. HIGH PRESSURE JETTING UNITS | 2. FIRE FIGHTING UNITS | 3. AMBULANCE        |
| 4. MOBILE WORKSHOPS            | 5. LUBE OIL TRUCKS     | 6. UTILITY TRAILERS |
| 7. TROLLEYS                    | 8. GARBAGE COMPACTORS  | 9. PRESSURE WASHER  |
| 10.COMBINATION TANKS           | 11. SUPER SUCKERS.     |                     |

## 8. CONSTRUCTION EQUIPMENT & SPARE PARTS

**Block Cranes**

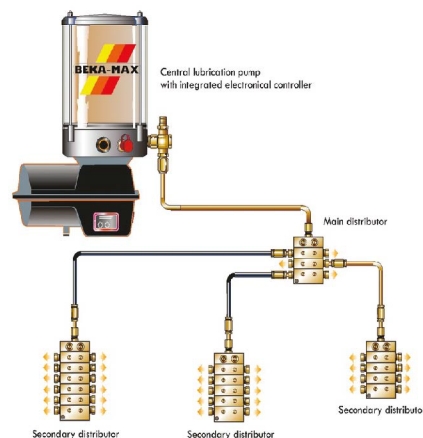

**Block Cranes**

**Pick & Carry Cranes**

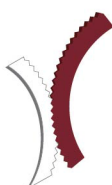

**Hydraulic Driven Products**

**Central Lubrication Systems**

**TRANSJET**  
High- Pressure  
Washers

## 9. RENTAL SERVICES

**Mobile Concrete Pump**

**Truck Mixer**

**Stationary Concrete Pump**

**Screed - Sand Pump**

**Grouting Pump**

**Plaster Machine**

**Placing Boom**

# 10. EVERDIGM PRODUCTS

## Build the Future

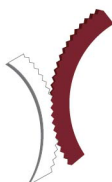

EVERDIGM's decision making is a reflection of 3 principles: Our family, Future generation's life, and Your satisfaction. We are not just a manufacturer of equipments, but we put greater emphasis on providing high quality equipments that suits your needs in any sites around the world and provide efficient after-sales service to support your business, as a World Top Class manufacturer. Our ultimate mission is to become 'Total Solution Provider in Construction, Demolition, Mining and Rescue industries' and 'A faithful supporter to make a real satisfaction for customer, employee, and society'. EVERDIGM will continue to share ideas with our customers and be ready to Innovate and Implement changes that will keep us flexible and efficient in dynamic market place.
